

## WHITE **GLASS** SUBWAY

Opt for the quality and impeccable finish of ProntoMosaic Subway Peel and Stick tiles by SpeedTiles: a simple, easy-to-install solution to update your decor. Equipped with a powerful, time-tested adhesive, these high-quality wall tiles are easy to handle, cut and maintain. The Subway collection has the best features of both the Peel and Stick and Regular mosaic tiles; no glue is required, but you can still have that grout effect that we love - if you wish. Carry out your project without glue and customize it with the grout of your choice - or without - at a lower cost and much faster!

DIMENSIONS (W X L X H)  
3 in. X 6 in. X 0.2 in.

Tessellated Dimensions:

- Sq In: 432"
- Sq Ft: 3'
